# Welcome to the 2008 Colorado Bandmasters Association Southern Region State Qualifying Marching Festival

The Rampart High School Band Boosters Organization is delighted to welcome you back to the 2008 Colorado Bandmasters' Southern Region State Qualifying Marching Festival! We are excited to host this year's festival in Colorado Springs. Today's event will include over 1,600 students and 21 bands, performing an astonishing range of repertoires and supplying you with eye opening visuals that can only be experienced through this activity. Thank you for supporting one of the finest youth activities in the area and for your continued support of arts education.

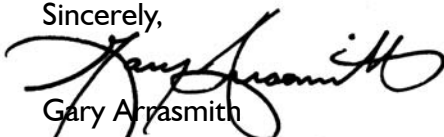

Studies have linked active music making with better language and math ability, improved school grades, better-adjusted social behavior, and improvements in "spatial-temporal reasoning," which is the foundation of engineering and science disciplines. Not only do music students achieve higher academically, they also experience music as a source of personal enrichment, as a vehicle for expression of human emotions, and as a unique intellectual discipline. Combine this with the physical demands of marching, and you have an activity that has been dubbed "The Sport of the Arts."

The Regional Qualifying Contest is the first step of the journey to the Colorado State Marching Championships. Top scoring bands from each of the four Regional State Qualifying Marching Festivals will earn an invitation to State.

We hope that you will take advantage of everything today's event has to offer. We have created a limited edition patch for students to purchase, arranged for a professional photo of each band, and provided a number of food vendors for you to select from. Please recognize and support the businesses that are sponsoring today's State Qualifying Festival.

The students, directors, and parents of these programs have worked hard to provide an exciting and memorable event for you. Enjoy the brilliant music and the cornucopia of color, showmanship, and artistry that can only be captured on the marching field. Most of all, be entertained and know that you have witnessed outstanding students participating in some of the best bands in the State of Colorado!

Sincerely,

Gary Arrasmith  
Co-Director

Justin Carpenter  
Co-Director
